# OUR STORY

---

## **SEE the future.** **S**afety, **E**thics and **E**co-Sustainability

Our company motto serves as our guiding light and daily benchmark in all we do.

Amitahc is dedicated to developing ideas and high-performing ingredients that guarantee a higher quality of life, while **respecting Planet Earth** and all its **inhabitants**.

Through the support of our selected partners, we continually promote the importance of choosing **eco-friendly ingredients**, aiming to reduce energy dependence and minimize the environmental impact throughout the entire product lifecycle.

***Sustainability is not just a value or responsibility; at amitahc, it is an asset that makes us stand out.***

*We make people living healthier, happier and longer*
